

19" Double-Frame

Open Racks

The Open Racks are designed for situations where quick access to the equipment is of primary importance. They are designed to house 19" standard mounting devices.

These racks offer a highly cost-effective and assembly-friendly solution for numerous applications in the fields of network technology and electronics.

19" Double-Frame Open Racks

Features

- L-shaped rail
- Universal square hole pattern
- Includes adjustable angle bracket
- 4-vertical-rack structure accommodates industry standard 19" panel widths
- The removable vertical rails can be adjusted backward or forward
- Powder-coated for protection against rust, oxidization, scratches, lacquer peeling, and strong acid and alkali erosion
- Complies with ANSI/EIA RS-310-C, D, E, F rackmounting standards

General Specifications

- 19"
- 18U - 47U
- Black and Grey
- Steel
- Open rack
